

Business A4 colour MFP

# MX-C357F

Powerful compact MFP with high performance and reliability.

- Business A4 colour MFP with speeds of up to 33ppm with 1200 x 1200 dpi print resolution
- Compact footprint allowing for flexible deployment around the office
- 4.3" colour LCD touchscreen that can tilt for easy viewing and the intuitive operation means that even the most complex processes are made simple with the Easy UI mode
- Full-colour network scanning with multiple scan destinations with scan speeds of up to 47ipm
- Mobile print support via AirPrint and Google Cloud Print
- Flexible media handling supports cardstock, small media, and envelopes from the main tray or a convenient single-sheet feeder
- Front USB port allows walk-up printing from popular file formats without a computer
- Easy access to public cloud services such as box, Google Drive, Dropbox, OneDrive etc
- Connect easily via Ethernet, USB, or simple mobile printing options
- Energy management features reduce power consumption in active use or sleep mode

# Specifikationer

## GENERELT

|                                      |                       |
|--------------------------------------|-----------------------|
| Hastighed - sider pr. minut (A4)     | 33                    |
| Hastighed - s/h sider pr. minut (A4) | 33                    |
| Papirstørrelse: min. - max.          | A6 - A4               |
| Papirvægt (g/m <sup>2</sup> )        | 60 - 200              |
| Papirkapacitet :Standard (ark)       | 251                   |
| Papirkapacitet :Max (ark)            | 1451                  |
| Hukommelse generelt (Gb)             | 2 / 4                 |
| Harddisk                             | OPT                   |
| Harddisk kapacitet (GB)              | 500                   |
| Duplex                               | STD                   |
| Strømkrav                            | 200 - 240V, 50 / 60Hz |
| Strømforbrug (kW)                    | 1.84                  |
| Mål ( B x D x H ) (mm.)              | 442 x 588 x 462       |
| Vægt (kg)                            | 27                    |

| Originalkapacitet (ark) | 50 |
|-------------------------|----|

## PRINTER

|                                           |                                                                                                                                                                                                        |
|-------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Opløsning (dpi)                           | 1200 x 1200                                                                                                                                                                                            |
| Netværksprinter (standard / tillbehør)    | STD                                                                                                                                                                                                    |
| Interface Standard / Tilbehør             | STD: USB 2.0, 10Base-T / 100Base-TX / 1000Base-T                                                                                                                                                       |
| Understøttede operativsystemer (standard) | Windows 7, 8.1, 10 Server 2008, Server 2008 R2, Server 2012 R2, Server 2016, Server 2019. Mac OS 10.6, 10.7, 10.8, 10.9, 10.10, 10.11, 10.12, 10.13                                                    |
| Netværksprotokoller                       | TCP / IP IPv6, TCP / IP IPv4, AppleTalk™, TCP, UDP, ICM, IGMP, 802.1x                                                                                                                                  |
| Printerprotokoller                        | LPR / LPD, Direct IP (Port 9100), Pull Printing, Microsoft Web Services WSD, Telnet, FTP, TFTP, Enhanced IP (Port 9400), ThinPrint, .print integration, IPP 1.0, 1.1, 2.0 (Internet Printing Protocol) |
| PDL standard / tilbehør                   | STD: PCL5c, PCL 6, Postscript 3 emulation, XPS                                                                                                                                                         |
| Tilgængelig fonte                         | 89 fonts for PCL, 159 PostScript fonts                                                                                                                                                                 |

## EFTERBEHANDLING

|                |    |
|----------------|----|
| Kapacitet Max. | 50 |
|----------------|----|

## TONER INDHOLD

|                                 |      |
|---------------------------------|------|
| Sort (sider med 5% dækflade)    | 9000 |
| Cyan (sider med 5% dækflade)    | 6000 |
| Magenta (sider med 5% dækflade) | 6000 |
| Yellow (sider med 5% dækflade)  | 6000 |

## KOPIMASKINE

|                                      |                      |
|--------------------------------------|----------------------|
| Originalstørrelse (Max.)             | A4                   |
| 1. farvekopi (sek.)                  | 9.5                  |
| 1. s/h kopi (sek.)                   | 9                    |
| Elektronisk sortering standard       | •                    |
| Kontinuerlig kopiering (max. kopier) | 9999                 |
| Scanneropløsning ved s/h (dpi)       | 600 x 600, 600 x 300 |
| Scanneropløsning ved farve (dpi)     | 600 x 600            |
| Zoomområde (%)                       | 25 - 400             |
| Faste zoom-satser                    | 6 ratios (2R / 4E)   |

## SCANNER

|                                            |                                                                                                     |
|--------------------------------------------|-----------------------------------------------------------------------------------------------------|
| Netværksscanner (standard / tillbehør)     | STD                                                                                                 |
| Scanningsmetode - "push" eller "pull" scan | •                                                                                                   |
| Scanneropløsning - "push" scan (dpi)       | 75, 150, 200, 300, 400, 600                                                                         |
| Scanneropløsning - "pull" scan (dpi)       | 75, 150, 200, 300, 400, 600                                                                         |
| Fil formater                               | XPS, TIFF, Highly compressed PDF, PDF (A-1a, A-1b), BMP, Secure PDF, Searchable PDF, PDF, JPEG, JPG |
| Scannerdestinationer desktop               | •                                                                                                   |
| Scannerdestinationer FTP, E-mail           | •                                                                                                   |
| Scannerdestinationer netværksmappe         | •                                                                                                   |
| Scannerdestinationer USB hukommelse        | •                                                                                                   |

## FAX

|                             |                                        |
|-----------------------------|----------------------------------------|
| Fax (standard / tillbehør)  | STD                                    |
| Kompressionsmetode          | MH / MR / MMR / JBIG / JBIG2 / JPEG    |
| Kommunikationsprotokol      | Super G3 / G3                          |
| Overførselshastighed (sek.) | Less than 3                            |
| Modemhastighed (bps)        | 33,600 – 2,400 with automatic fallback |
| Overførselsopløsning (sek.) | From Standard to Ultra Fine            |
| Dokument størrelse (min.)   | A6                                     |
| Dokument størrelse (max.)   | A4                                     |
| Hukommelse (Mb)             | 18 (built-in)                          |

## TRÅDLØST NETVÆRK

|                                         |                                           |
|-----------------------------------------|-------------------------------------------|
| Trådløst netværk (standard / tillbehør) | OPT                                       |
| Gældende regelsæt                       | IEEE802.11a / b / g / n / ac              |
| Adgangstilstand                         | Infrastructure mode                       |
| Sikkerhed                               | WEP, WPA PSK, WPA EAP, WPA2 PSK, WPA2 EAP |
