The MX-2314N is a compact yet powerful entry level colour MFP perfect for any small office or workgroup. It's versatile and it brings high quality A3 colour within reach of every business. Print and copy speeds are as fast as 23 pages per minute - even in colour - plus it has the latest productivity features including access to the 'cloud' and driverless mobile printing. You also get automatic two-sided colour scanning, network printing, robust security, Sharpdesk desktop scanning software and powerful device management solutions.

In addition there's a wide range of options and upgrades you can specify, including 320 GB hard drive, fax, a Wi-Fi adaptor, extra security, a space-saving inner finisher, punch module, large capacity tandem drawers for long uninterrupted print runs, and Sharp OSA to configure an MFP that's exactly right for your business.

The MX-2314N has been designed with ease of use and energy efficiency in mind. A 7-inch colour touch-screen makes everyday operation simple and intuitive. We've even added easy-grip handles to the paper drawers.

Energy Star certification, a rapid warm up time, Eco Scan function, efficient LED scanner and enhanced auto shut down capabilities all result in a versatile A3 colour MFP designed to care about the environment.
