Keep up with today's fast-paced business communications with one easy-to-use, compact solution that has all your basic office needs covered. The MX-M182 is packed with an extensive range of superb performance functions, delivering efficient copying, printing and brilliant colour scanning. Thanks to Sharp Printer Language with Compression (SPLC), print speeds are kept to a maximum even on complex jobs. Copying is just as fast, and handy features such as Electronic Sorting, for creating multiple sets of sorted documents without the need for a bulky page collator, will increase productivity. A standard 40 sheet Single Pass Feeder (SPF) for single-sided documents can be specified for easier scanning and copying. Certified for Energy Star and with Pre-heat and Auto Power Shut off modes proves the MX-M182 is energy efficient and environmentally-friendly. And with options available for powerful network printing/scanning and Super G3 faxing, the MX-M182 even has the functionality to grow with your business.
